Please find below a communication from the EXAMINER in charge of this application

Commissioner of Patents

The amendment filed on 10-24-01 canceling the examined invention and presenting only claims drawn to a non-examined invention is non-responsive (MPEP § 821.03). The remaining claims are not readable on the examined invention because the examined species peptide J010 has been canceled.

Since the above-mentioned amendment appears to be a *bona fide* attempt to reply, applicant is given a TIME PERIOD of ONE (1) MONTH or THIRTY (30) DAYS, whichever is longer, from the mailing date of this notice within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD UNDER 37 CFR 1.136(a) ARE AVAILABLE.

Any inquiry concerning this communication should be directed to Examiner **Patrick J. Nolan**, Art Unit **1644**, whose telephone number is **703-305-1987**.

Any inquiry of a general nature or relating to the status of this application should be directed to the Technology Center receptionist whose telephone number is (703) 308-0196.

Patrick J. Nolan
